

Retaining Excellence™

KEYSTONE SMALL RESIDENTIAL
IDEA BOOK

Introduction

An outdoor landscape, whether created for a new home or to enhance a current environment, adds beauty, value and warmth to any residence. The *Keystone Small Residential Idea Book* features real-life examples of beautiful Keystone retaining wall projects that are creative, easy-to-install and durable.

With extensive style, color and texture options, there is a Keystone product to perfectly complement and enhance any environment. Also, Keystone's patented product designs ensure strong walls that resist settling and shifting when properly installed.

For more than 20 years, Keystone Retaining Wall Systems, Inc. has set the worldwide standard for excellence and innovation within the segmental retaining wall industry. Symbolizing cutting-edge design, performance and aesthetics, Keystone products and services offer the best site solutions for governmental, commercial/industrial, recreational, public works and residential applications. Keystone is a subsidiary of CONTECH Earth Stabilization Solutions Inc. (ESS).

Keystone Lipped Products

Keystone lipped products are lightweight and easy-to-handle. No special tools are required and the secure, interlocking design makes installation easy. These units are made of high-strength, low-absorption concrete to provide permanent, environmentally safe walls that are virtually maintenance free. Keystone lipped products have the natural complement of quarried stone and are available in a wide variety of colors that blend with any landscape.

Keystone Sedona Stone®

- Unit dimensions: 3"H x 5.25"D x 8"W (75mm x 135mm x 200mm)
 - Each Keystone Sedona Stone unit weighs only 8 lbs making it fast and easy to install by yourself.
- *Size, unit weight, color and availability may vary by region.*

Keystone Garden Wall

- Unit dimensions: 4"H x 9"D x 12"W (100mm x 230mm x 300mm)
 - Each unit has a face area of 1/3 square foot; 3 units equal 1.0 sq. ft. face area.
- *Size, unit weight, color and availability may vary by region.*

Keystone Legacy Stone®

- Unit dimensions: 6"H x 10 3/8"D x 16"W (150mm x 260mm x 400mm)
 - Exposed face area: 2/3 sq. ft. per unit
- *Size, unit weight, color and availability may vary by region.*

Keystone Landscape Series of Products

Keystone's Landscape Series of Products is specifically designed to provide a superior, natural stone aesthetic in easy-to-install and affordable products. While each product has an individual look, all utilize Keystone's patented, molded fiberglass pin connection method system. This pin connection system provides additional structural integrity and performance and allows for easier alignment. The Keystone Landscape Series of Products provides the ultimate in design flexibility. Every product in the Landscape Series allows for near vertical or positive setback and can be used in multiple wall positions.

Keystone Palazzo Stone®

- 4" H x 8" D x 12/9" W
- Approx. 25 lbs each
- 2 pins per unit
- Angled on both sides providing different face lengths; finished on two sides allowing for a random-pattern look without multiple pieces

Keystone Potenzo Stone®

- 4" H x 8" D x 4/5" W, 5/6" W, 10/11" W, 11/12" W
- Approx. 10 lbs, 15 lbs, 25 lbs, 30 lbs each
- 2 pins per unit
- Four different sized units for highest degree of random layout

Keystone Verazzo Stone™

- 6" H x 10 1/2" D x 16/12" W
- Approx. 68 lbs each
- 2 pins per unit
- Finished on two sides allowing for a random-pattern look without multiple pieces; angled on both sides providing different face lengths
